

Autumn 2

Heroes

Nelson Mandela and Mo Farah

Maths

- This term Year 5 will be learning about:
 - Multiplying and dividing by 10, 100 and 1000
 - Inverse operations
 - Factors and common factors
 - Prime numbers
 - Square and cube numbers
 - Perimeter
 - Area

English

- The children will be learning the structure of letters and newspaper reports. They are then going to write their own versions based on what they have learnt.

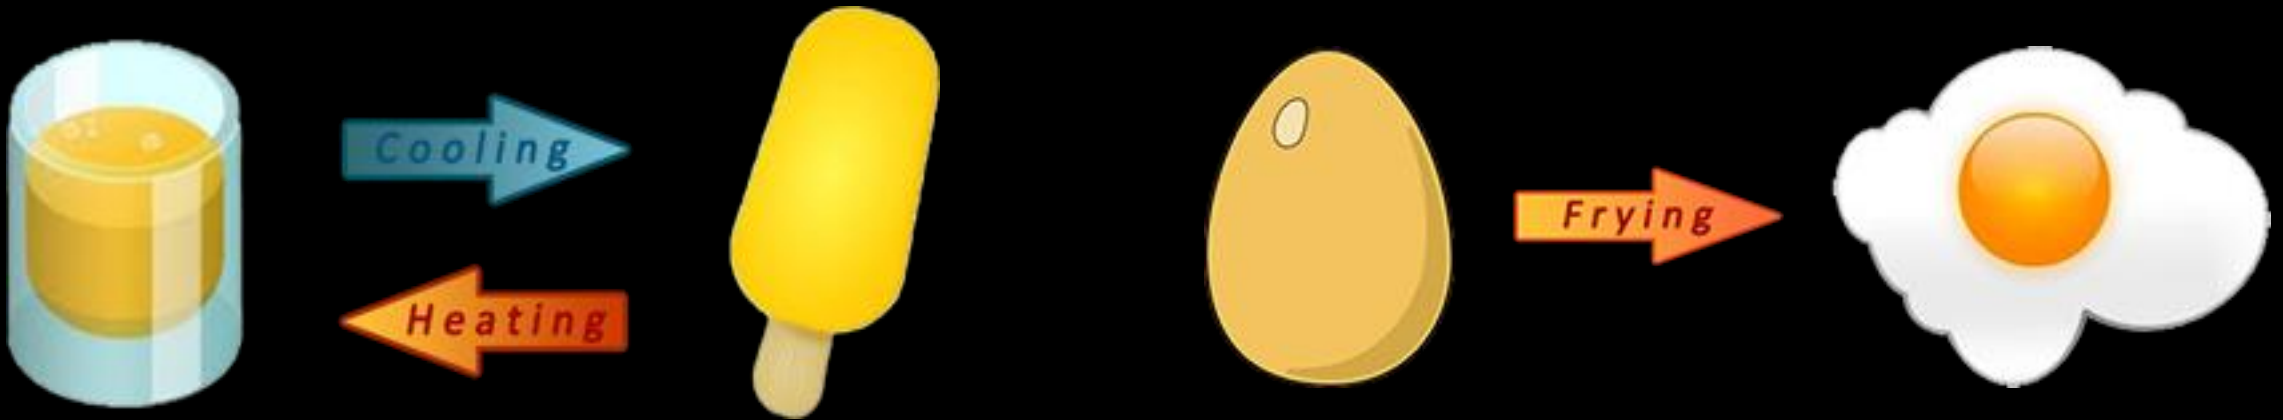

Topic

- Year 5's topics: 'Heroes' with a focus on Nelson Mandela and Mo Farah. We will especially be using these topics in our writing.

Science

- In science we will be looking at mixtures and how we can separate these. We will also be looking at changing the state of solids, liquids and gases, assessing if they are reversible or irreversible changes.

Reading

- We will mainly be focussing on the text 'Cool' by Michael Morpurgo, where we will look at literal questions, inference questions and predictions. We also aim to look at other texts as well, including some poetry.
