

# Spring 1

Our World, The Stars and The Sky

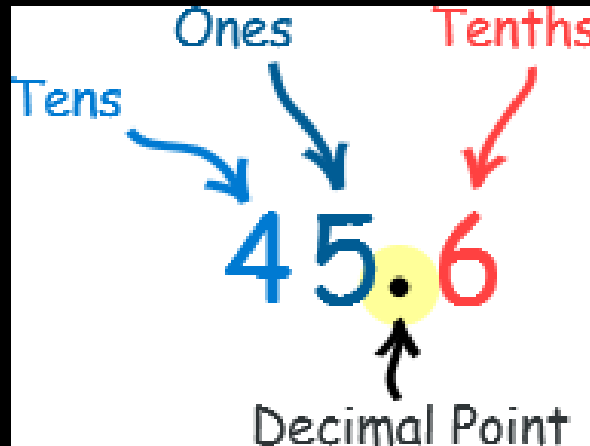

# Maths

- This term Year 5 will be learning about:
  - Subtract fractions
  - Multiply fractions by whole numbers
  - Read and write decimal numbers as fractions
  - Solve problems involving multiplication and division by simple fractions
  - Read, write, order and compare numbers with decimal numbers
  - Recognise and use thousandths and relate them to tenths, hundredths and decimal equivalents

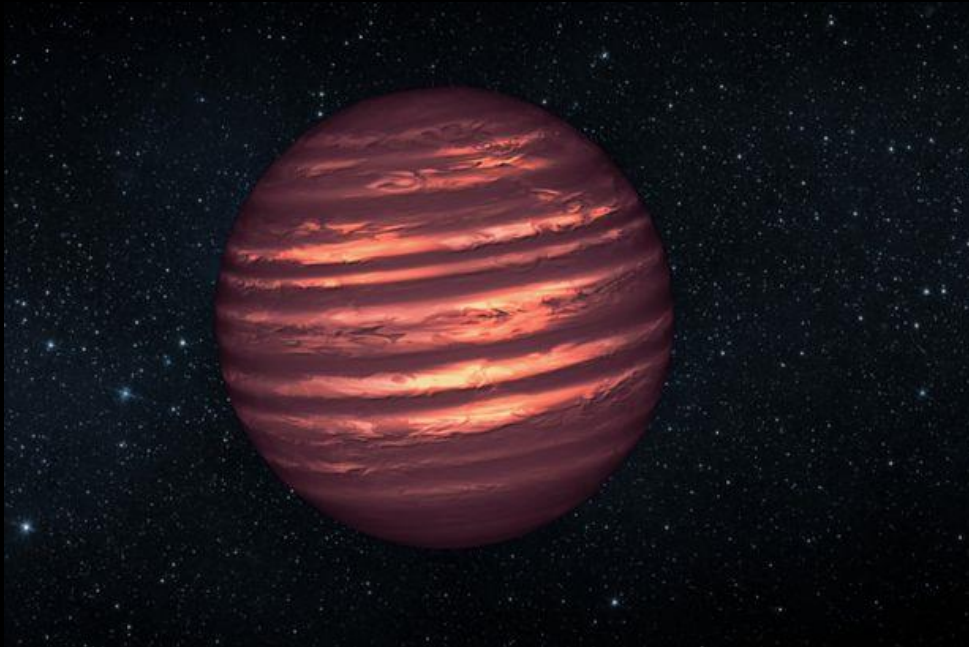

# Maths

- This term Year 5 will be learning about:
  - Round decimals with two decimal places to the nearest whole number and to one decimal place
  - Solve problems involving numbers up to three decimal places

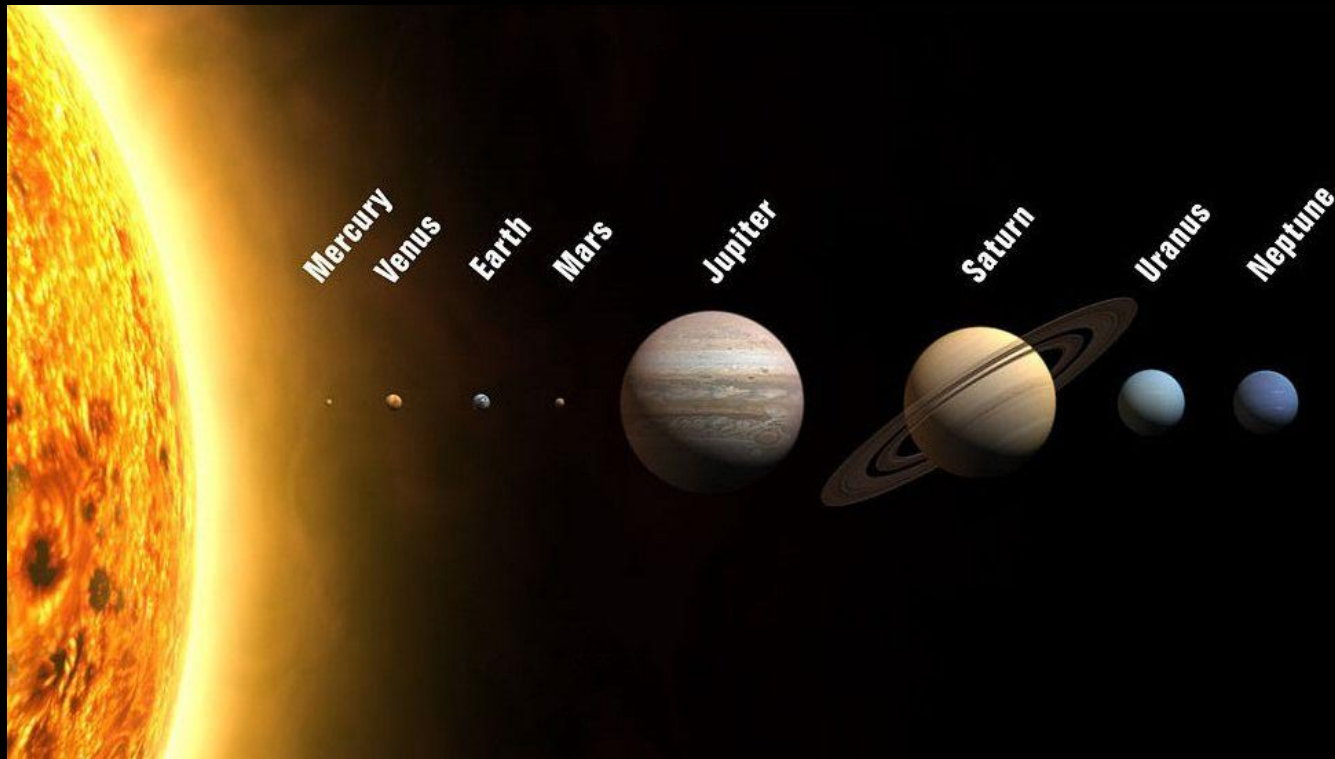

# English

- The children will be learning the structure of explanation texts and diaries. They are then going to write their own versions based on what they have learnt.

# Topic and Science

- Year 5's topic this term is 'Our World, The Stars and The Sky'. We will use this topic in our writing.

# Reading

- We will mainly be focussing on the text 'Cool' by Michael Morpurgo, where we will look at literal questions, inference questions and predictions. We also aim to look at other texts as well, including some poetry.
