

Miss Gregory -
Goosebumps
Mr McNerney -
Hodgehegs
Mrs Musson -
Railway Cats

Year 3

English - Magic and Mystery!

We will be writing our own adventure stories to entertain our audience.

First, we will be focusing on text features which include detailed description and using paragraphs.

Next, we will focus on our grammar by using fronted adverbials, expanded noun phrases and subordinate clauses.

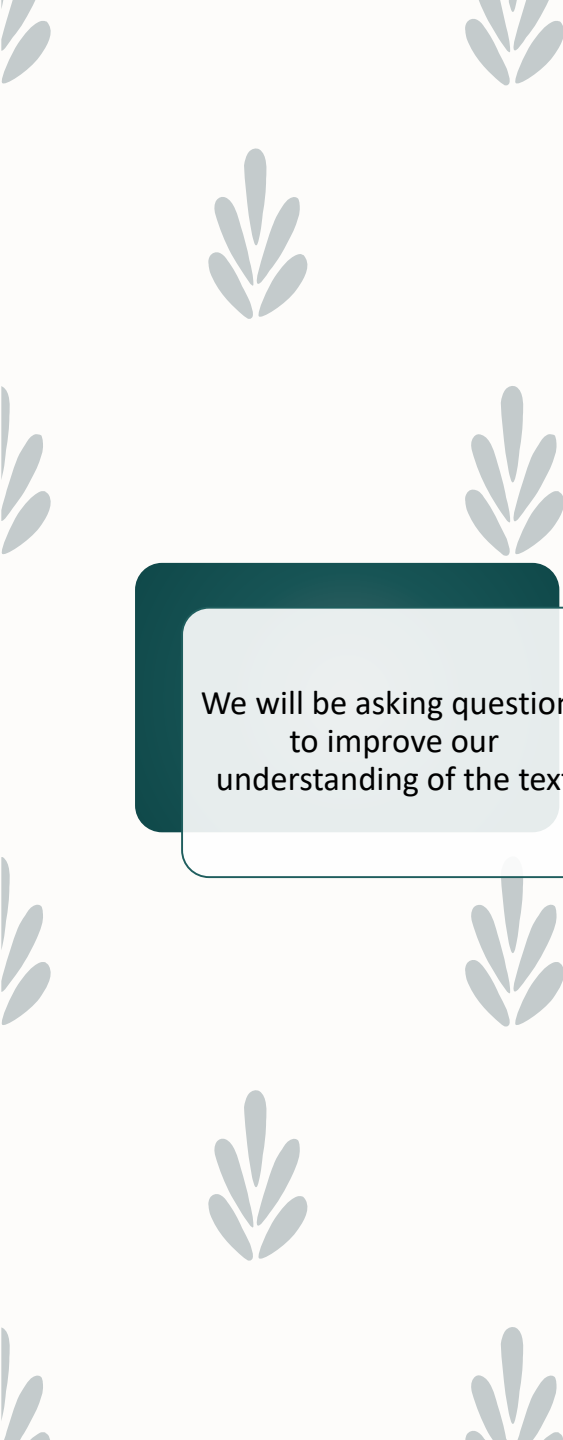

Then, we will use full punctuation for direct speech, including punctuation within and before inverted commas. Also we will secure use of apostrophes and use commas after fronted adverbials and subordinate clauses.

English

After our trip, we will be writing about our adventures and what we have learnt at Eureka.

Furthermore, we will be writing about our successes and the challenges that we have had in Year 3.

We will be asking questions to improve our understanding of the text

We will be drawing inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence

We will be predicting what might happen from details stated and implied and we will be identifying main ideas from the text.

We loved *Charlotte's Web* and we can't wait to read *The Firebird*. Also we are watching a live performance of the play and will be writing about this too!

The page features several decorative leaf icons in a light grey color, scattered across the left and top edges. A horizontal line is positioned below the title.

Maths

01

This half term we will be learning how to recognise, add and subtract money.

02

Then, we will be learning how to tell and write the time from an analogue clock.

03

Next, we will measure, compare, add and subtract: lengths, mass and volume.

04

Finally, we will learn about 2-D shapes and 3-D shapes.

Science - Our topic this half term is Our Changing World

We will be answering the following questions:

How do flowers change through the year?

What colour are flowers?

How often do insects visit plants?

How do sunflower seeds and plants grow over time?

How do different varieties of seeds and plants grow over time?

In Topic:

We will be looking at how sport has changed extending our chronological knowledge beyond 1066.

Then we will be using maps, atlases, globes and digital/computer mapping to locate countries which are playing in the World Cup!

RE and PSHE

In RE we will be looking at
The Good Samaritan and
the 10 commandments.
Then we will be writing our
own versions.

In PSHE our focus will be
Changing Me!

Homework

1

Spellings will be handed out on a Friday and tested the following Friday.

2

Homework will be given out weekly and will include an English and Maths activity.

3

Please practise your times tables and if possible go on Times Tables Rockstars!
