

YEAR 4 – SUMMER 2

WRITING

In writing, the children of Year 4 will focus on writing a persuasive advert. They will try persuade magical children to attend Hogwarts School before creating an advertisement campaign for a magical potion.

We will also be using our knowledge of the Harry Potter story to write our own story that uses a flashback.

MATHS

❖ Time

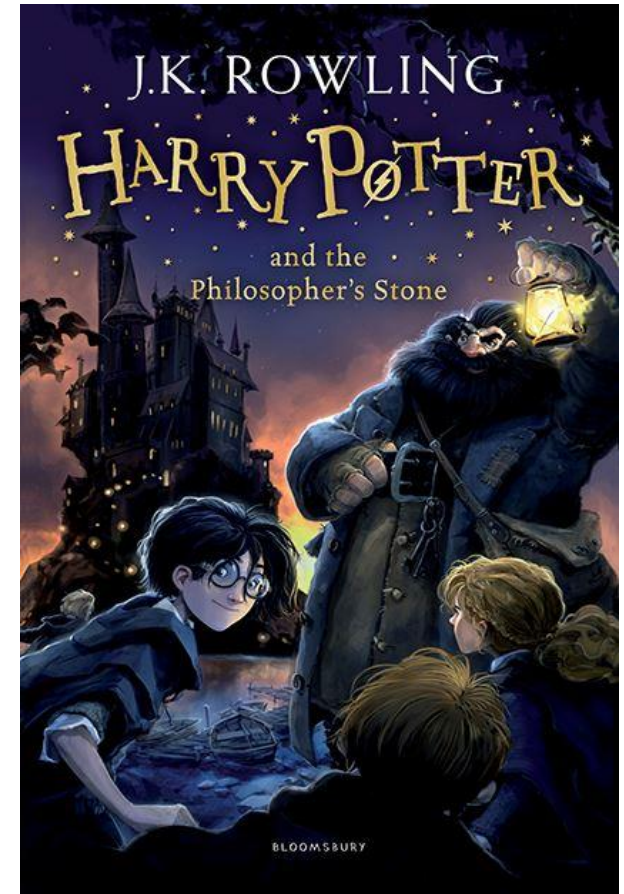

❖ Geometry – Properties of Shape

❖ Money

READING

Our main reading focus this half term will be based around Harry Potter and the philosophers stone. We will continue to develop our reading skills whilst studying this text.

The children will study the authors use of language and make inference about what they have read.

TOPIC – MAGIC AND MYSTERY

- ❖ Complete a study of magical music and the imagery that it creates.
- ❖ Making potions using our measuring skills.
- ❖ Writing instructions for making a magic potion.
- ❖ Using pencil skills to draw portraits of Harry Potter.
- ❖ Using map skills to locate areas used in the Harry Potter films

RE/PSHE

The children will be investigating if Christians are required to go to church to show they are Christians.

In PSHCE, we will be learning about how people change, including sex education

HOME LEARNING

Children will receive home learning every Friday.

Home learning will need to be completed by the following Wednesday.
