Dear Parent/Carer

Welcome back after the Easter break. The sun has started to shine and the Summer term has now begun. But, before talking about this term, I would like to acknowledge and thank all of the Year 6 pupils and staff who attended our Easter School. Their commitment and dedication is something I am extremely proud of.

Now, for this term, we have so much to look forward to. In addition to each year group having the opportunity to attend residentials, there are other exciting events to look forward to. These include our very first reading festival and also a summer extravaganza which will include our Summer Fayre, celebrations of the Queen's Jubilee and our school building being 100 years old! Dates for these events will be published once confirmed.
