

...Changing lives

Residential at Boggle Hole for Year 3 pupils – 15-16 May 2023

Situated right on the beach, in a secluded cove, Boggle hole is the ideal base for exploring the incredible heritage of our Jurassic coast. The fantastic beach with large sandy areas, rock-pools rich with marine biodiversity, quaint old fishing village, wonderful woodland and fascinating historical sites mean that there is something for everyone. And best of all ... everything is on their doorstep and can be reached on foot!

We are inviting our Year 3 pupils to this exciting residential on the 15-16 May 2023.

During the visit the children will be able to take part in various activities such as Fire Pit and Traditional Tales, Pebble Art and many other beach activities.

The cost of this trip is £95, which will need to be paid on The My Child at School App in full by Friday 5th May 2023. To secure a place for your child a non-refundable deposit on £20 needs to be paid by **Friday 20th January 2023.** After the initial deposit you have the flexibility to send weekly or monthly payments until the outstanding balance is paid.

Yours sincerely
Mr R Schofield
Head of Academy

Year 3 Visit to Boggle Hole 15-16 May 2023

I would like my child Class to join the Boggle Hole Residential in May 2023 and have paid the £20 deposit on the MCAS app.
